The Vice Chancellor,  
South Eastern University of Sri Lanka.

**Report of the Auditor General on the Financial Statements of the South Eastern University of Sri Lanka for the year ended 31 December 2013 in terms of Sub-section 108(1) of the Universities Act, No. 16 of 1978.**

The audit of financial statements of the South Eastern University of Sri Lanka for the year ended 31 December 2013 comprising the statement of financial position as at 31 December 2013 and the statement of financial performance, statement of changes in net assets and the cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Sub-section 107(5) of the Universities Act, No. 16 of 1978. My comments and observations which I consider should be published with the Annual Report of the University in terms of Sub-section 108 (1) of the Universities Act, appear in this report. This report also to be considered as the detailed report in terms of Sub-section 108 (2) of the Universities Act.

**1.2 Management's Responsibilities for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

### 1.3 Auditor's Responsibility

---

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards consistent with International Standards of Supreme Audit Institutions (ISSAI 1000 – 1810). Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the University's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the University's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. Sub-sections (3) and (4) of Section 13 of the Finance Act, No.38 of 1971 give discretionary powers to the Auditor General to determine the scope and extent of the audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

### 1.4. Basis for Qualified Opinion

---

My opinion is qualified based on the matters described in paragraph 2.2 of this report.

## **2. Financial Statements**

### **2.1. Opinion**

In my opinion, except for the effects of the matters described in paragraph 2.2 of this report, the financial statements give a true and fair view of the financial position of the South Eastern University of Sri Lanka as at 31 December 2013 and its financial performance and cash flows for the year then ended in accordance with the Sri Lanka Public Sector Accounting Standards.

### **2.2. Comments on Financial Statements**

#### **2.2.1. Accounting Deficiencies**

The following accounting deficiencies were observed.

- (a) A sum of Rs. 11,999,504 paid for supplying and fixing of transformers had been shown as work in progress in the financial statements instead of being shown as assets although these works had been completed and handed over to the University on 07 May 2013.
- (b) Twenty two staff quarters valued at Rs. 148,871,450 constructed under the Kuwait Fund and vested to the University in the year 2012 had not been brought to the accounts.
- (c) A sum of Rs. 6,906,496 paid during the year under review as mobilization advance for construction of internal road had been added to the value of buildings instead of being separately shown as advance.

#### **2.2.2 Transactions not Supported by Adequate Authority.**

Sums aggregating Rs. 788,093 had been paid during the year under review as honorarium payment for 10 members of the Management Committee of the Centre for External Degree Programme and Learning on monthly basis in addition to sitting allowance totalling Rs. 72,000 paid at the rate of Rs. 2,000 per sitting for each member of the committee. In this connection approval had not been obtained from the University Grants Commission.

"The Vice Chancellor had informed me that honorarium payment had been paid with the recommendation of the Board of Management and the approval of the Governing Authority."

### 2.3 Non - compliance with Laws, Rules Regulations and Management Decisions.

Instances of non- compliance with Laws, Rules Regulations and Management Decisions observed in audit are analyzed below.

Reference to Laws, Rules, Regulations and Management Decisions	Non - compliance
(a) Section 109 of the Universities Act, No. 16 of 1978	The audited financial statements and the report of the Auditor General for the year 2012 had not been published in the Government Gazette up to now.
(b) Financial Regulations.(F.R)	
(i) F.R. 138	Two payments aggregating Rs. 253,000 made during the year under review had not been certified by the officer responsible for certification.
(ii) F.R. 702(3)	Copies of 22 contract agreements valued at Rs. 105,706,404 had not been submitted to the Auditor General.
(c) Section 20.6 of Chapter X of Establishments Code for the University Grants Commission and Higher Educational Institutions	Thirteen non-academic and administrative staffs had obtained no - pay leaves for 223 days in the year under review. However, the University had not reported particulars of those no – pay leave monthly to the Auditor General in Form General 96.

### 3. Financial Review

#### 3.1 Financial Results

According to the financial statements presented, the working of the University during the year under review had resulted in a deficit of Rs. 577,710,687 before taking into account the government grant for recurrent expenditure as compared with the corresponding deficit of Rs. 442,113,071 for the preceding year, thus showing a deterioration of Rs. 135,597,616 in the financial results. The decrease of other income by Rs. 3,009,901 and the increase of expenditure by Rs. 132,587,716 had been mainly attributed for this deterioration.

### 4. Operating Review.

#### 4.1 Performance.

The academic performance of the University during the year under review is as follows.

##### (a) Degree Courses

The number of students enrolled for each faculty and the number of students who left after obtaining degrees during the past 02 years are shown below.

Degree Courses Conducted	Number of Registered Students		Number of Students Obtained Degrees	
	2013	2012	2013	2012
Applied Science	243	273	33	43
Arts and Culture	418	128	134	179
Management and Commerce	376	354	167	106
Islamic and Arabic Language	231	261	107	88
Engineering	102	-	-	-
<b>Total</b>	<b>1,370</b>	<b>1,016</b>	<b>441</b>	<b>416</b>

The following observations are made in this connection.

- (i) It was observed that enrolment of students to the faculty of Arts and Culture and the faculty of Management and Commerce during the year under review had increased by 226 per cent and 6 per cent respectively whereas, enrolment of student to the faculty of Applied Science and the Faculty of Islamic and Arabic Language during the year under review had decreased by 11.0 per cent and 11.5 per cent respectively.
- (ii) According to the information made available, the University had proposed to intake 250 students to the faculty of Arts and Culture. However, 418 students had been enrolled to the Faculty during the year under review and as such, 168 students had been enrolled more than the proposed limit.

(b) **Cost per Student.**

The total cost of each faculty of the University and the cost per student thereon for the year under review are shown below.

		Faculty of Applied Science	Faculty of Arts and Culture	Faculty of Islamic and Arabic Language	Faculty of Management and Commerce	Faculty of Engineering	Total
		-----	-----	-----	-----	-----	-----
Total	Cost	72,657	66,490	29,600	52,861	15,099	236,707
	(Rs.'000)						
Total Number of							
Students		481	748	602	915	99	2845
Cost per Student							
(Rs.'000)		151	90	49	58	152	83

The highest cost per student amounting to Rs. 152,000 was reported at the Faculty of Engineering whilst the lowest cost per student amounting to Rs. 49,000 was reported at the Faculty of Islamic and Arabic Language.

---

- (a) According to the University Grant Commission Circular No.636 dated 14 July 1995, examination results should be released within three months after the date of examination. However, it was observed in audit that the results of examination had been delayed by 02 months.
- (b) Out of 41 students registered for Master of Business Administration (MBA) during the academic year 2011/2012, only 09 students had conferred degrees up to date.

=====

- (a) The University had not taken action even up to the end of the year under review to recover a sum of Rs. 8,942,758 from a lecturer for breaching agreement even though the period of validity of the bond had expired on 10 January 2010.
- (b) A sum of Rs. 1,581,737 had remained outstanding relating to a Senior Lecturer who had vacated his post from 22 January 2010. However, the University had not taken proper action to recover this outstanding balance from his University Provident Fund or taking legal action against him.

### Purchase of Beds with Cupboards

(a) According to the indent order made to the supplier, 145 beds with cupboards should have been supplied on or before 01 July 2013. However, the supplier had

supplied those beds with cupboards with a delay of period ranging from 2 months to 5 months. Even though the supplier had supplied those beds with a considerable period of delay, the University was unable to recover liquidity damages from the supplier due to non-inclusion of provision in the indent order regarding the recovery of liquidity damages.

- (b) According to the Supplies Committee Meeting held on 27 March 2013, the Committee had approved the purchase of beds at the size of 6'.0" x 2'.5". However, quotations had been called for beds with cupboards at the size of 7'.6"x 2'.6" without considering the decision taken at the above mentioned Committee Meeting.
- (c) According to the specification, teak timber at the length of 2' – 2" (2" x 2") should be fixed at the middle of the bed. However, it was observed at the physical inspection carried out on 13 February 2014 that the supplier had supplied the beds without fixing such teak timber. As a result, approximately a sum of Rs. 98,000 had been overpaid to the supplier.
- (d) Even though there were several shortcomings in the beds and cupboards supplied by the supplier, the Works Engineer had certified the bills stating that the goods were supplied according to specifications and good condition. The shortcomings observed regarding those beds are given below.
  - Instead of teak timber, shappu timber had been used for the center plank of the cupboard.
  - Finishing of cupboards was not smooth.
  - Handles and locks were not fixed for certain cupboards.

#### 4.5 Contract Administration

##### (a) Construction of Playground

The University had awarded a contract to a private firm for supplying and spreading of gravel to the playground and a sum of Rs. 749, 100 had been paid to the contractor up to 16 September 2013. The following matters were observed in this connection.

- (i) There was no business entity at the addresses given by two suppliers. Accordingly, it is obvious that the same supplier had submitted all three quotations in different names in order to obtaining maximum benefits from this contract.
- (ii) In terms of Procurement Guideline, the limit of authorization for granting approval for work estimate by the Vice Chancellor is less than Rs. 250,000. Therefore, the University had prepared an estimate for Rs. 249,572 for supplying and spreading 43 lorry loads of gravel. However, the University had purchased 129 lorry loads of gravel by paying Rs. 749,100 to complete the above mentioned work. Accordingly, it is obvious that the University had prepared the estimate by undervaluing the works in order to avoid obtaining approval from the Departmental Procurement Committee.
- (iii) According to the request made by the Physical Education Department of the University, the works for supplying and spreading of gravel should be completed on 16 September 2013 considering as a very urgent need. Even though the above work had been completed on 16 September 2013, the preparation of Volley Ball Court, Basketball Court and Tennis Court in the selected area had not been completed even up to now. Therefore, the amount spent for the above work had become a fruitless expenditure.

**(b) Reconstruction of Access Road**

-----  
According to the contract agreement No. SEUSL/CW&P/195(1)/2013 dated 20 March 2013, the reconstruction of access road at the length of 1.2 Km had been awarded to M/S. Central Engineering Consultancy Bureau and a sum of Rs. 23,088,431 had been paid to the contractor up to 23 August 2013. The following matters were observed in this regard.

- (i) Even though the contract agreement had been entered into between the Vice Chancellor of the University and the contractor on 20 March 2013, the construction works were commenced before two months from the date of agreement.

- (ii) According to the contract agreement the construction works should have been completed before 09 April 2013. However, it had been completed on 09 May 2013. Therefore, a sum of Rs. 403,650 to be recovered as liquidity damages had not been recovered from the contractor in terms of the contract agreement.

#### **4.6 Granting of University Quarters to the Staff**

The following matters were observed in this regard.

- (a) According to Section 6.6 of the Guidelines and Regulations of the University, officers to whom University quarters granted should enter into an agreement with the University. However, academic staff who occupied 12 family quarters and 08 bachelor quarters had not entered into an agreement with the University.
- (b) According to Section 05 of Chapter XIX of the Establishments Code of the Democratic Socialist Republic of Sri Lanka, rent for the occupation of quarters should be deducted from the salaries of the occupants. However, rent had not been deducted up to now from the academic staff who occupied University quarters.
- (c) The University had paid electricity charges amounting to Rs. 902,741 for the period from January 2010 to November 2013 for the above mentioned University Quarters. However, proper action had not been taken to recover the electricity charges from the occupants concerned up to the date of audit on 11 April 2014 in terms of Section 5.8 of Chapter XIX of the Establishments Code.
- (d) A Senior Lecturer who occupied the University quarters had fixed an air conditioner to the quarters by his own money without obtaining prior approval from the Registrar of the University in terms of Section 8.3 of the Guidelines and Regulations of the University.

#### **4.7 Library Administration**

It was observed in audit that the books borrowed by the academic and non academic staff had been returned with a long delay ranging from 01 year to 04 years. However, action had not been taken to calculate and recover the penalties in terms of Meeting Minutes of the Senate held on 27 July 2004.

#### **4.8 Human Resources Management**

The following observations are made

- (a) The University had not taken action even end of the year under review to fill 88 vacancies.
- (b) There were 08 vacancies in key posts such as Professors, Associate Professors in 05 Faculties. However, the University had not taken action to fill those vacancies which could affect the educational activities of the students.

#### **5. Accountability and Good Governance.**

##### **5.1 Tabling of Annual Report**

Annual report for the year 2012 had not been tabled in Parliament up to 03 June 2014.

##### **5.2 Budgetary Control**

Variances ranging from 52 per cent to 58 per cent were observed between the budgeted expenditure and actual expenditure, thus indicating that the Budget had not been made use of as an effective instrument of management control.

#### **6. Systems and Controls**

Deficiencies observed in systems and controls during the course of audit were brought to the notice of the Vice Chancellor of University from time to time. Special attention is needed in respect of the following areas of systems and controls.

- (a) Accounting
- (b) Recovery of Loans and Advances
- (c) Control over Fixed Assets
- (d) Maintenance of Registers

- iii. Now this has been completed

## **3. Financial Review**

### **3.1 Financial Results**

## **4. Operating Review**

### **4.1. Performance**

- a) The Faculties propose to intake the students to the UGC for each Academic Year. The University Grants Commission will allocate the student for each academic year. The allocation will be decided by the UGC. The Students, allocating by the UGC , will be registered by the University. This allocation may be differentiated year to year.
- b) Noted

### **4.2. Results of Examination**

- a) The respective lecturers had delayed to submit the mark return sheets in time. And Some examination question and answer scripts are sent for the moderation the second examiners to other universities which sometimes causes delay in releasing results.

#### **b) 2011/2012 Batch (1<sup>st</sup> Batch)**

There are 41 students in the 2011/2012 batch. The degree had been conferred on 09 students who submitted their dissertation within the period of December 2013. Rests of them in the 2011/2012 batch are still on the research work.

The following criteria have been approved by the senate for the stipulated period of the Programme.

*“In order to graduate with a Master’s degree from the FMC, a student shall have,*

*Fulfilled all the requirements listed in the requirements for award of MBA degree within a maximum of 5 academic years from the academic year of original registration in the university other than approved postponement under the medical ground or approved extensions for any special suspensions and such suspensions are applied when a student needs to interrupt studies, for example, as a result of health or finance problems or employment or research opportunities. Such suspensions can be allowed for a maximum of 3 years and these extensions may involve payment of additional fees.*

*Requests for extension must be made on the relevant form available at the Post Graduate Unit of the FMC and should be accompanied by any relevant supporting documents, such as medical evidence, or correspondence”*

#### **4.3 Management inefficiencies**

- a) The University has communicated with Northumbria University, UK with regard to Mr. Sameem and requested to submit the current status of the PhD programme in Applied Linguistics of Mr. Sameem.

In responding of the request, Northumbria University stated that Mr. Sameem has been excluded from his course of study due to non-payment of Tuition fee. It is permanent and can’t under any circumstances be revoked.

Subsequently Mr. Sameem by his letter dated 17.02.2014 informed that he has almost completed his thesis and in the process of editing and proof reading it. At the same time he has communicated with the Northumbria University and made an appeal to continue his study programme.

Leave and Awards Committee at its 57<sup>th</sup> meeting held on 28<sup>th</sup> June 2013 has granted three months to submit his certificates.

The Leave and Award Committee of the University at its 58<sup>th</sup> meeting held on 08.11.2013 decided that no any further excuse to be given to Mr. Sameem and action should be taken to recover the bond penalty from the salary.

Subsequently, The Leave and Award Committee of the University at its 59<sup>th</sup> meeting held on 26.02.2014 appointed a Sub Committee to study the current Status of

PhD Programme of Mr. M.A.M. Sameem and recommended to the next LAC what action should be taken to recover the bond penalty from him

#### **4.4 Procurement of Goods and Services**

##### **Purchase of Beds with Cupboards.**

- a) In the urgency of student's intake in 2013. We have to supply these hostel facilities within very limited time period. Due to this reason, we have invited bids for beds and were unable to include conditions of liquidity damages in the bid.
- b) PRN received for 6'x2.5' beds and obtained the Supplies committee approval for the purchasing. Due to the requirement of user department, subsequently, we received PRN and drawing with "beds with cupboards". Considering the cost benefit we invited bids for beds with cupboards with 7.6'x2.6' adjoining with cupboards.
- c) The early supplied beds for the FAS were with these requirements though some inspected by the Audit were found with these problems. Because of this urgent requirement for hostel facilities we had to accept those beds and at the same time we informed this matter to supplier and he got immediate action to correct the beds. By now, all the correction has been done.
- d) The work engineer had prepared the drawings and measurement. At the time of preparing these he included bed covering area (centre potion of bed) from class 1 timber and all others with Teak as normally done for all for bed making. And at the time of bid inviting it was mistakenly changed as teak. Therefore, when items were received the work engineer supposed that the beds

were with as his original drawing. That was the reason to why the he certified the bills as complied with specification. Handles and locks were already fixed and rectified.

#### **4.5 Contract Administration**

##### **a) Construction of Playgrounds**

- i& ii The work awarded was within the authority limit of the Vice Chancellor , The quotation had been obtained to observe the current market rate of the items. It was not a competitive bidding
- iii The request from the Department of Physical Education initially was for 43 lorry loads of gravel. And accordingly the work had been estimated and awarded for Rs. 249,572. However , the Department of Physical Education requested for further supply of gravel thereafter on two occasions to expand the play courts.
- iv The work had been carried out at the request of the Department of Physical Education and it was stopped without completion as it was decided later to implement this work under South Eastern University of Sri Lanka Development Project in 2014. Now it is in the tendering stage.

##### **b) Reconstruction of Access Road**

- i. It is noted for future compliance. However, we have mentioned under para 5 of the Letter of Acceptance that **“Until such time the contract is formally signed, the following documents shall be legal documents binding on both parties. 1. Letter of Award and Acceptance. 2. Volumes I & II of Bidding Documents”**
- ii. The work was substantially completed on 09.04.2013 without binder course as the breakdown at the Asphalt batch plant at Ampara had occurred. The delay was beyond the control of the contractor.. However, the binder course was supplied on the date as mentioned under the above observation and the work was fully completed.
- iii. The contractual amount of this contract was Rs.26,904,000.00 and final payment was done only Rs.23,088,421.31. This was a measure and pay contract internally some quantity variation has been taken place without exceeding the contractual amount but still there was saving. Quantity variation of two items as made under observation have been taken place to ensure the quality of work and satisfactory completion of work .
